

# Lesson Blueprints: Video Production

## Worksheet 4 Title: Editing: Vocabulary

### Grade Level: Middle and High School

Student: \_\_\_\_\_

#### Do Now:

Look over your storyboard and think about the footage you filmed yesterday. Did you capture all of the shots you planned? Will the order of your shots stay the same?

Vocabulary	Definition	Our Edit
edit		
import		
cut		
raw footage		
clip		
timeline		
graphic		
transition		
export		

How do you feel about your final film product? Explain your answer.

#### Homework:

Answer the following: How does the editing process affect the story told in a film?
